News letter June 2010

Well, I bet you thought I had packed my bags and left for another orbit. But I fooled you all, I am still here, can't get rid of me that easy. **I do want to apologize** to everyone for the delay in getting this newsletter out to you. I have had to deal with the Arthritis issue on my knees since the shots I had earlier this year failed. I have been seeing Dr's to see what else can be done. The Orthopedic Dr I have wants to try and go in and do a clean out or flush out and do something with the bone spurs that are causing me so much pain. So June 16th I will be having that surgery it is not a knee replacement so I will be not be in a hospital 3 to 4 days. If that procedure works it will buy me time since inevitably I will have to have both knees replaced.

Now enough about meLet me tell you about our trips. We have had some very good ones and boy did we have fun on the Copper Canyon Adventure.

The Copper Canyon trip was a weeklong; we left on April 21st and got home on April 27th. Jose drove the bus and enjoyed the trip with us. We picked up our guide outside the city of Chihuahua, he was so knowledgeable not just with the area but he knew name of trees and plants and flowers, HE WAS A SUPER GREAT GUY. Fun was had by all, we were a small group, and all were able to jell together so well. We rode the train to Divisidero and rode in vans to Batopilas. We got to see the Mennonites' in Cuauhtémoc and had lunch with them. We saw some of the most beautiful sights and boy the cameras were just clicking all the time. The entire group was never in any danger and we were able to enjoy being the "touristas' in Mexico. Our next trip is the last week in April 2011(Lord willing) and we are going deeper into the Copper Canyon area. Hope you will join us. Soon you will be able to read more about the trip and see pictures of the trip on our web-site.

The trip for May 12th & 13th made for Choctaw in Grant, OK. We had a lot of new people and some of our regular ones. Choctaw gave us very good perks and everyone had a great time. The beanies were given out as well as some G-n-G discount cards. We had a new bus driver that was really great he was liked by all. Choctaw is making some changes with their perks but they are still the best casino on perks. Our next trip to Choctaw will be in August for 2 nights and it will be in Durant, OK. Be sure to sign up so you don't miss out.

Saved the best for last, my son and I worked long hours for about a week and a half to create a new web-site for G-n-G Tours. Those of you that have access to computers and internet please go check it out. We have made it very colorful and it has a lot of new stuff to look at. We hope you will enjoy it and give us feedback on it. It is still a working progress; we need to add more pictures and give you details on our major trips. This is our 5th year and we still love what we do (even my honey George). Our hope is that you will join us on some trips or all of them, that you will tell your friends about us and that we will continue to bring you FUN trips.

May God bless you in every way! May you enjoy life and live it to its fullness. **Remember** to Travel the Safe way.

We had a great time in Choctaw Casino & Resort in Grant, OK. It was about 45 minutes further than the one in Durant, OK. We were a total of 37 people (a few new ones). The casino is not as big as the one in Durant but boy the customer service was really great. They were there ready and willing to help. The rooms were very nice everything is so brand new it has only been open since June of '09. Some of their slot machines are new games and some even have multiple games within the same machine. Over all everyone had a good time and we will be going back. The perks are really great too, some of us got as much as \$60.00 including the buffet tickets.

Well the biggest news is that it seems like the treatment on my knees is going to work, I am 95%free of pain "Praise God". SO that means a trip schedule is done for this year. I am sure we will add to it but for the most part at least you will have an idea as to where will be going and you can pick and choose when you want to join us. On other news , our new home is coming along , we now have a garage attached and a huge deck in back should be done by mid Feb.

May God bless you in every way! May you enjoy life and live it to its fullness. Remember to Travel the Safe way.
